Program Overview

In conjunction with the normal recurrent training and operators' proficiency checks, the pilot knowledge and ability to perform the tasks associated with a particular category of operation are of extreme importance. Our LVO course truly covers everything presented in 4 Modules of about 110 minutes of web-based training to help refresh your expertise and fine-tune major and critical details of this subject.

Course Content

The program of training will include the following:

✈ Module (1): LV General, Lighting & Markings

✈ Module (2): RVR, ILS & ATC Procedures.

✈ Module (3): Departures

✈ Module (4): Arrivals & Weather

Assessment

Mastery Test with a passing score of 80%

Certificate

The participant will be awarded with Gulf Aviation Academy (GAA) electronic certificate upon successful attendance and completion of the course
