## A320 General Familiarization

### Program Overview

The General Familiarization Course offers a fantastic opportunity to become familiar with the Airbus A320 Family aircraft equipped with both CFM56 and IAE V2500.

The course is a level 1 type course which is designed to provide you with a simple description of the aircraft and systems.

The General Familiarization will cover an introduction to all the different aircraft systems and give you a working knowledge of how the aircraft functions at a basic level.

### Assessment

Mastery Test with a passing score of 80%

### Certificate

The participant will be awarded with Gulf Aviation Academy (GAA) electronic certificate upon successful attendance and completion of the course.
